## SUMMARY

Self-disciplined, highly motivated, and ambitious individual seeking opportunities to solidify and expand my skills in Microsoft Excel and database management.

## EXPERIENCE

### Vanderbilt Coding Bootcamp, Nashville, TN

Apr - Oct 2019

- Establish connected databases using ORM (Object-Relational Mapping)
- Developed frontend-to-backend dynamic web apps, databases, and projects
- Supported team leads with project assignments with demanding deadlines

### Hennessy Industries, La Vergne, TN

#### Shipping Clerk Lead

Mar 2011 - Present

- Trained and lead a team of 25+ people without loss of productivity or man hours on multiple tire changer assembly lines
- Implemented new and innovative procedures, systems and equipment to improve current production processes and support engineers
- Acted as Department Lead in multiple departments due to experience, work ethic and aptitude to learn skills outside of primary duties
- Promoted from a temporary position to a full-time Department Lead

### Chonburi Muay Thai, Nashville, TN

#### Instructor/Coach

Jan 2014 - Present

- Leading groups or one-on-one with self-defense, discipline, motivating ways to incorporate the mindsets obtained through rigorous and prosperous training with he/she day to day tasks.

### WWL Vehicle Services America, Smyrna, TN

#### Distribution / Paint/Body

Jan 2006 - Nov 2011

- Inspected and assured all vehicles coming off the line passed all model specific requirements
- Continually adapted to fill different roles and help other departments meet their production goals when needed
- Progressed from a temporary position to a full-time employee through continually learning new skills and bringing an innovative approach to every part of the job
